

North American Prototype Modelers, Ltd.

Jack Fleming / Don Gilker

MEMORIAL SERVICE AWARD

The Memorial Service Award is awarded annually to an N.A.P.M. member for dedicated service and selfless contribution to our club, our layout, our hobby and our fellowship.

This honor is given by the N.A.P.M. Membership in fond memory of our two good friends, John E. "Jack" Fleming and Donald B. Gilker, whose high standards, ready hands and countless hours of dedicated work, help make our "dream layout" come true, and whose friendly smiles and happy outlook made this place more fun for all of us.

In the spirit of Jack & Don, I nominate ______ to receive the Jack Fleming / Don Gilker Memorial Service Award.
